Dear Bonnie McBeth Families,

The Illinois State Board of Education is mandating that specific information be collected from families of all children enrolling in public Early Childhood/Preschool Programs. In an effort to make this an easy process for all, District 202 has turned the required questions into a survey for you to complete. This survey must be completed for every student enrolled at Bonnie McBeth Learning Center. You may access this survey at:

**<http://ww2.psd202.org/forms/prek-enrollment/>**

This survey must be completed by August 25<sup>th</sup> or your child/children will be excluded from attending school effective August 28<sup>th</sup>. Due to the late notification of the changes, we are allowing families who pre-enrolled until August 25<sup>th</sup> to complete the additional requirements rather than excluding students on the first day of school. If you do not have access to the internet, a paper form will be available in the main office at Bonnie McBeth. In addition you will have access to a computer at Meet and Greet on August 16<sup>th</sup>. We appreciate your immediate attention to this matter. All information reported on the survey will be kept confidential.

We look forward to a successful school year!

Sincerely,

*Kristin Brower*
